LB 607

opposed. LB 607 is advanced. Mr. Speaker, did you wish to adjourn at this point in time or go back to 617?

SPEAKER NICHOL: Yes, I think we will. We have some things to do after lunch of course and then tomorrow or this afternoon at three, I should say, remind you of our nuclear freeze situation. Tomorrow I believe we have the Mother of the Year and Young Mother of the Year, and we plan to wind up at one o'clock tomorrow, go through the noon hour, wind up at one o'clock.

SENATOR BEUTLER: Senator DeCamp, would you care to recess us?

SENATOR DeCAMP: Mr. President, I move we recess until one-thirty.

SENATOR BEUTLER: We are recessed until one-thirty. It would seem appropriate to vote on the motion to recess. All those in favor say aye, opposed. We are recessed until 1:30 p.m.
